

CRESTLINER
FORGED WITH STRENGTH. DEFINED BY DURABILITY.

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

For over seven decades, we've pushed the limits of possibility with every new Crestliner model. Through each passing year our craftsmen have shaped more than the toughest all-welded aluminum hulls on the water—they've shaped your time on the water. With a relentless commitment to excellence, Crestliner continues to push boundaries by building boats with unrivaled strength, innovative fishing features and superior design. Experience the strongest, most durable fishing boats on the water today.

BUILT TO ENDURE.

With thick, high-quality aluminum and all-welded strength, every Crestliner hull is ready to withstand some of the harshest of waters and the worst weather conditions.

1 LEGENDARY FOUR X HULL

This is where four pieces of aluminum interlock and are welded together to become one. This provides you the lightweight durability of aluminum and the seamless look of fiberglass.

2 INTERLOCKING TONGUE AND GROOVE CONSTRUCTION

Crestliner boats are built using an innovative interlocking tongue and groove seam construction method, creating a rock-solid bond and, once again, proving there isn't a boat designed with more precision or durability.

3 EXTRUDED FULL LENGTH KEEL

No other area is subjected to more punishment than the keel. Crestliner integrates the smooth extruded full-length keel from bow to stern, ensuring unbeatable strength and durability.

WORK-HARDENED SIDE WALLS

DOUBLE-WELDED TRANSOM

When you have engines kicking out maximum horsepower, you need a transom that can handle a lot of force. With its double-welded reinforced transom, Crestliner creates a seam that endures the rigor of boating.

Through the process of work hardening, Crestliner delivers sidewalls that can perform through cross-waves and tough conditions better than smooth sidewalls. These bends not only add tremendous strength, but look great too.

REVERSE CHINE

Reverse chine with integrated spray rail design forces water down and away for a drier ride.

VARIABLE DEGREE DEADRISE

Variable degree deadrise allows for instant planing and unmatched stability.

*Not all processes, features and statements apply to every Crestliner boat model.

SUPERIOR STRUCTURAL INTEGRITY

Underneath the floor of a Crestliner is an intricate stringer foundation that supports every inch of the boat, ensuring a safe, smooth ride.

“No matter how you like to fish, there is a very well built Crestliner boat loaded with great fishing features that will work specifically for you.”

Jason Mitchell | Host of Jason Mitchell Outdoors

10 CONSECUTIVE CSI AWARDS

ENDURING QUALITY

At Crestliner, integrity and passion drives every decision, from the builders who make the boats to the anglers who use them. We take pride in our generations of engineering innovation—designing boats that last generations too.

INDUSTRY'S STRONGEST WARRANTY

Crestliner was the first to offer a limited lifetime warranty on all mainseam welds and a 3-year bow-to-stern warranty on virtually everything else. Then it got better—allowing Crestliner's warranty to transfer to future owners.

(Warranty differs on CR Jon and Outreach boats)

CRAFTING A CAREER OUT OF PASSION

Canadian fisherman Charlie Wray got his start in the television industry by being as far away from a TV as possible. Early in his fishing career, Charlie won tournament after tournament, derby after derby. He designed lures. He was a guide for a time. All of that experience on the water convinced people that Charlie deserved his own show, Fishful Thinking—a show that teaches thousands of anglers across North America how to fish more effectively.

“I want to have something informative in every episode, and I think that’s been the key to our success,” says Charlie. “I do a lot of pre-fishing, a lot of experimenting. I’m constantly updating the viewers on what’s working and what isn’t.”

While he does a lot of experimenting on the show, one thing he hasn’t toyed around with is the boat he’s fishing from. From his start in the late 80’s, Charlie has trusted a Crestliner.

“I love the all-welded concept, how they’re made. I love that they make boats for multispecies fishing. I love the open concept, multi-purpose capabilities, and that it’s one of the only aluminum boats you can put on a roller trailer, which is perfect for bigger, deeper waters. Simply put: Crestliners are die-hard fishing boats.”

Over the years, Charlie has fished from almost the entire Crestliner fleet, but loves his 1950 Fish Hawk the best.

“It’s so multi-purpose and user-friendly. It’s a do-it-all kind of boat. It’s safe, quick to plane and has everything I could ever want. I would put a Crestliner up against anyone else’s boat.”

So turn on Fishful Thinking where you’ll not only learn a few things about fishing, but the kind of boat to do it in.

fishfulthinking.ca

MORE REASONS TO GET OUT ON THE WATER

BASS HAWK

Introducing the next level in bass fishing boats.

New for 2018 is the Crestliner Bass Hawk. Based on the ultra-stable hull design of our Fish Hawk and featuring raised bow and stern decks similar to our PT, the Bass Hawk represents more flexibility for bass anglers.

This bass catching machine offers a huge amount of storage and is versatile enough to go after other species, like walleye and muskie. It features a 28-gallon stern livewell, spacious bow and stern casting decks, a lockable center bow rod storage that holds up to 15 rods and completely wood-free construction for added durability.

The Bass Hawk comes in two sizes, 1750 and 1850. Both come built with two premium bucket seats, and a center seat can be added to form a three-across seating arrangement. The 1850 can be upgraded to a pedestal seating configuration that offers more cockpit room and two jump seats in the stern.

If you're looking to catch some bass in bigger, rougher waters, the all-new Bass Hawk gives you the confidence you need for a great day on the water.

NEW FOR THE 2018 DEEP-V LINEUP

Enjoy everything from the small details to the big innovations.

- Wood-Free Transoms
- New upholstery
- Improved canvas
- And now offering Active Trim, Panther Power Steering and VesselView® Link on select models

OUTREACH

2018 now offers more dependability.

The all-new Outreach is as dependable a boat as we make. It's easy to transport and maintain, features bench seating with walk-through options and comes in a range of sizes that's perfect for any angler. The Outreach's rugged simplicity makes it ideal for resorts or utility use.

SPORTFISH

2150 | 1950 | 1850

A BOAT THAT ADAPTS TO YOUR EVERY IMPULSE

Sometimes you want to go fishing. Other times you still want to fish, but the rest of the family wants to cruise. So why force yourself to pick only one? With the ultra-premium, does-it-all Sportfish, you get one part complete fishing machine fused with one part family-friendly recreation boat. It features a level of comfort most fishing boats can't compete with, while offering a level of fishability most recreation boats don't understand. When you're looking for the ultimate on-the-water experience, own the water with the Sportfish.

KEY FEATURES & POPULAR OPTIONS

1 FEATURE-RICH HELM

The feature-rich helm station features stitched vinyl-wrapped panels, a Boss® stereo with USB charging port, Bluetooth capability and chrome gauges.

2 HELM AND PASSENGER RECLINING CAPTAIN'S CHAIRS

Optional reclining captain's chairs with dual armrests and supple cushioning are a popular choice among anglers who value comfort.

3 VINYL-WRAPPED PORT ROD STORAGE

Innovative vinyl-wrapped port rod storage with topside cubby tray holds four 7'6" rods.

4 IN-FLOOR ROD/SKI STORAGE

The high-capacity center in-floor storage locker provides ample space for all your watersports gear or holds rods up to 8' in length.

5 STERN CASTING DECK

Large stern casting deck accommodates two pedestal seat bases, storage compartments and a livewell.

ADD SOME VERSATILITY TO YOUR WEEKEND

Ever wonder how to spend the entire day out on the boat? Easy. Head out on the water at sunrise and wet a line. Steer back to shore for lunch (and maybe a nap), then pile in the whole family for an afternoon of tubing, skiing or cruising. With this multipurpose boat, you've found a simple recipe for a weekend well spent.

RAPTOR

2100 | 1850 | 1750

CAST FROM THE TOP OF THE LEADERBOARD

For some, simply being out on the water with a rod and some bait is good enough. You, on the other hand, have a different definition. Your drive and passion for excellence needs a boat built with the same dedication you have for the sport. In other words, you need a boat that'll help you win. The Raptor is that boat. This competition-ready fishing machine combines absolute performance and stability with ample features, making the climb up the leaderboard quick and easy.

KEY FEATURES & POPULAR OPTIONS

1 17-TUBE ILLUMINATED CENTER ROD LOCKER

The lockable, illuminated center bow rod locker features three rows of storage with a total of 17 tubes. Holds 6 rods up to 8'6" in length, 6 rods up to 8' in length, and 5 rods up to 7'6" in length.

2 WALK-THROUGH WINDSHIELD

Walk-through windshield with feature-rich helm and port consoles, lockable drawer under starboard console, and tackle trays and cooler storage under port console.

3 BOW STORAGE

The roomy, storage-rich bow deck includes deep space to keep your gear safe and secure.

4 BOW & STERN LIVEWELLS

The bow includes a 12-gallon insulated and aerated livewell with timer as well as an aerated 1.5-gallon deck baitwell with timer and the stern features a 26-gallon insulated and aerated livewell (shown) with recirculating system, bait bucket and fresh-water pickup.

5 CONVERSION STERN BENCH

The optional conversion stern bench gives you a larger fishing deck when down and additional seating when up.

MORE FEATURES & OPTIONS

- Port Rod Storage holds two 10' rods
- Easy Access Fish Ruler with Designated Storage
- Snap-In Carpet
- Butt Seat
- Wood-Free Transom
- SureMount Gunned Accessory System with Optional Accessories
- Washdown System
- Full Enclosure Package

1950 Fish Hawk WT

FISH HAWK

1950 | 1850 | 1750 | 1650

THE ULTIMATE COMBINATION OF WHAT EVERY ANGLER WANTS

Everyone has their own idea on what makes a great fishing boat. But all can agree the ideal boat needs to have the right fishing features, plenty of storage, stability and an intuitive floorplan. Maybe that's why the Fish Hawk is one of the most popular fishing boats on the water. Developed through feedback from real fishermen, this pure fishing machine is perfect for anglers with opinions of all kinds.

National Pro Team Member Mike Sorensen in the 1750 Fish Hawk WT

1950 Fish Hawk WT

1850 Fish Hawk SC

1

2

3

4

5

KEY FEATURES & POPULAR OPTIONS

1 BOW CASTING DECK

A large bow casting deck makes for easy maneuverability on board. Deep storage compartments stow plenty of gear and a livewell keeps your catch fresh.

2 CENTER ROD STORAGE LOCKER WITH BATTERY STORAGE

Locking center rod storage holds up to ten rods and its deep recess stores your optional trolling motor battery and charger.

3 PRO SEAT

Fishermen on longer treks will appreciate the additional support of the optional Pro seats.

4 STERN LIVEWELL

The 1950 Fish Hawk features a deep 17-gallon aerated stern livewell complete with timer, divider, bait bucket and separate lids for the livewell and baitwell. 1850 and 1750 feature a 15-gallon aerated livewell with timer. (1750 shown)

5 ROOMY COCKPIT & MULTIPLE CONFIGURATIONS

With our innovative hull design, the Fish Hawk sports a wider, more spacious cockpit for you to navigate. Configure your Fish Hawk as a Side Console, Dual Console, or Walk Through.

MORE FEATURES & OPTIONS

- SureMount Gunnel Accessory System
- Locking Port Rod Storage with Topside Rod Straps
- Aerated Bow Livewell with Timer (1950: 9-Gallon, 1850/1750: 12-Gallon)
- Wood-Free Transom
- Swim Platform with Ladder*
- Conversion Stern Bench*
- Easy Access Fish Ruler with Designated Storage*
- Vinyl Flooring*
- Platinum Edition Package*
- 57" 21-Gallon Muskie Livewell (1950/1850)

FEATURES & OPTIONS

Below are just some of the features and options available to tailor your Crestliner to your personal style of boating and fishing. For more information, visit Crestliner.com. *Not all features are available on all boats.

DELUXE SEAT

The Deluxe Seat is extra wide for added comfort. The cushioned backrest conveniently folds down.

PRO SEAT

Fishermen on long treks will appreciate the additional support of the pro style seats.

RECLINING CAPTAIN'S CHAIR

Dual armrests and supple cushioning make the Reclining Captain's Chair a popular choice among anglers who value comfort.

BUTT SEAT

The Butt Seat gives fishermen a sturdy spot to sit or lean against when rotated 180°.

BOW DECK PAD

The Bow Deck Pad with bolsters creates a spacious lounge area and cushioned sundeck atop the bow deck. Available on Sportfish & Super Hawk. (Sportfish shown)

SNAP-IN CARPET

For extra comfort underfoot, add Snap-In Carpet runners, custom fitted to your Crestliner. Available for models with vinyl flooring.

J-HOOK HAMMOCK

Relax with the innovative J-Hook Hammock with a pillow pocket. Available on Sportfish and Super Hawk (excluding 1650).

TRAVEL COVER WITH J-HOOK

The snug, custom-cut travel cover attaches securely to extruded gunnels with easy on/off snapless J-Hooks. Walk-through models have a ratchet design system.

SHOCK EFFECT WRAP

The Shock Effect Wrap has a dynamic look that says serious fishing.

MAD FISH GRAPHICS

Show your Team Crestliner love while showing the competition you mean business with the Mad Fish Graphics.

REMOVABLE SKI PYLON

All types of watersports are in reach with the optional ski pylon. (Available on Sportfish, Super Hawk and Vision.)

TURBOSWING®

Pull thrill-seekers with the TurboSwing® tow bar and EZpully.™ (Available on Fish Hawk and Raptor.)

SWIM PLATFORM WITH LADDER

Throw the anchor and enjoy a swim thanks to the swim platform and ladder. (Fish Hawk, Super Hawk and Sportfish OB Only)

WASHDOWN SYSTEM

Easily hose down your Crestliner after a tough day of fishing with the heavy-duty washdown system.

Options Vary Depending on Model

- Aft/Drop
Curtain
- Side Curtains
- Suntop
- Tonneau Cover

FULL CANVAS ENCLOSURE

Available options include side curtains, aft/drop curtain, suntop, Bimini top and tonneau cover. Covers attach securely to extruded gunnels with the easy on/off snapless J-Hooks. (Ensure proper ventilation. Full canvas enclosure should be used only when the boat is at anchor or at rest and never when the engine(s) is running.)

*Not all processes, features and statements apply to every Crestliner boat model.

All prices and specifications subject to change. Crestliner reserves the right to discontinue models or change prices, specifications, materials, equipment, color or design at any time without notice and without incurring obligations. Some models are shown with optional features and equipment. Outboard model weights shown in this catalog reflect the approximate weight of the boat only, and do not include weights of the outboard motor or accessories installed. All boats meet or exceed United States Coast Guard regulations, applicable American Boat and Yacht Council standards and are certified by the National Marine Manufacturer's Association. Our proven construction and durability allow us to offer you one of the best warranties in the industry. Crestliner was the first to offer a limited LIFETIME hull warranty to the original owner. All mainseam welds are covered. Interior support construction carries a limited 10-year warranty. Plus, you get a limited 3-year bow-to-stern warranty on virtually everything else. It gets better...Crestliner's warranty is transferable! When its time to upgrade to a new Crestliner, you have the option to transfer the warranty to the second owner. (Limited Lifetime warranty differs for Outreach and CR Jon boats.) Some restrictions apply. For complete details, a copy of our limited warranty is attached to each new boat or may be obtained from your Crestliner dealer. Many boats featured in this catalog are shown with available options. See your dealer for details. Every effort was made to ensure that this information was accurate at the time of printing. Crestliner assumes no responsibility for errors in type, in print or in photos. Please follow the rules of safe boating, be courteous to others and respect the marine environment.

Special thanks to Robin's Resort, Usage Beach, MO and Ruttger's Bay Lake Lodge, Deerwood, MN.
